The Prez Sez:

Nobles & Ladies,

Hope this writing finds everyone healthy and happy and COOL! This heat is brutal.

Let me start by thanking all the Units for the great TGIF Friday night dinners you are putting together. If you are not coming out on Friday's, you are missing out on some awesome, fare-priced food and fellowship.

A big Thank You to all who helped with the Paper Drive. Your efforts are greatly appreciated.

In the near future, we will be needing your help with the much needed repairs to ALL the Unit Storage Buildings. They are in bad shape and some are inaccessible. Please plan to help!

Thank you to the crew who put on the Luau Pig Roast. It was a very successful event.

Pay attention to the Calendar. There are a lot of activities coming up and your participation is needed in order for the events to be successful.

Please plan to stop by the Lounge on Thursdays or Fridays and enjoy a cold drink, air conditioning and some great food and fellowship. Thanks

Walter Milton,
President NBSC

A big THANK YOU to Bill Butcher, Jerry Reynolds, Denny Reddecliff for the LED light installation and to Chazz Prickett for the use of his scaffolding and tall ladder and for his help.

Secretary's Corner Hello Nobles & Ladies,

Welcome to August. Hope you all are staying cool in this Summer heat.

Wow, what a great Luau Pig Roast on the 27th of July. Thanks to Chef Reggie and all who helped him put the event together. And a big THANK YOU to you for supporting the event. When we work together, we are successful. We must also give a big THANK YOU to the Nobles and Ladies who took time out of their busy schedules to participate in our Annual Shrine Paper Drive on July 27th. Your efforts are greatly appreciated.

Thank you again to Bill Butcher for his generous donation of and installation of new LED lighting for the Banquet Hall. What a difference! (Check out the photo below, left). During the first seven months of this year, we have experienced a significant uptick in the number of Hall rentals at NBSC. The renovations to the Banquet Hall flooring, the new chairs and the advertising banner on our sign are reasons for the increase in rentals. NBSC is definitely more appealing! Thank you again to all who donated toward these renovations. And if your friends or family are in need of a venue to hold an affair, suggest they look at NBSC. Thanks!

Take the time to come out on Friday evenings and enjoy one of our delicious TGIF meals, play the Queen and partake in some interesting conversations with your Shriner friends.

Dennis Reddecliff, Secretary

Ladies of the Nobles (LCN)

Hello Ladies,

Hope everyone is surviving this heat. It's definitely been a hot Summer. Stay hydrated!

Ladies, I would like to take this time to thank you for all of the support that you have given for our endeavors this year. Our past events have been amazing, and this could not be done without all your help. But we are not yet done. We have one more TGIF on August 30th. Our meetings resume in September, on the 12th, and we have our Ladies Day Out Event coming up in November. So, there is still a lot going on and to be done. A letter will soon be coming out to you for our yearly "Bakeless Bakesale." Please be on the lookout for that and think of Our Shriners Children when you make your donation! Thanks!

I would like to congratulate Reggie and his crew on his Luau Pig Roast. It was a great day and the food was amazing.

Hope everyone remains as cool as possible. Please keep all those that are going through trying times in your prayers.

THOUGHTS, GRINS & GIGGLES!

On the first night of their honeymoon, the husband isn't sure how to tell his wife about his stinky feet and smelly socks, while the wife is wondering how to break the news to him about her awful breath, which she has been able to cover up so far. After some soul searching, the husband gathers his nerve and says, I have a confession!" She draws in closer to him and peers into his eyes and says, "Darling, so do I." Recoiling, he says, "Don't tell me.....
..... you've eaten my socks."
